Chipping Sodbury
Town Trust

Chipping Sodbury Town Trust wants The Ridings to be a place for people to get together and get active for generations to come.

The sports club buildings and facilities need to be updated and new, modern facilities are being proposed. We want to hear from people in the community to find out:

- How we can improve the facilities
- What activities you'd like at The Ridings
- How a new community and leisure hub could support local groups
