Chipping Sodbury - Did You Know?

Chipping Sodbury was established as a 'New Town' in the 12th Century.

The town was positioned on the crossroads of an ancient 'salt route' from Droitwich to the South and the Bristol to Oxford road.

The George Hotel was first recorded in the 1400s as a Hospice for pilgrims.

There is a Heritage Trail with six plaques marking historic buildings in the town, including the George Hotel. (Trail leaflets are available in the Tourist Information Centre)

Today the town continues to welcome visitors from all over the world and there are over 20 different eating places to enjoy.

Rules: One entry per person, winners of a Sodbury Sheep will be the first 25 correct entries drawn at random after the closing date of 30th August 2014. No cash alternative. This competition is organised by Sodbury Chamber of Commerce. No correspondence will be entered into.
